

workshop for farmers!

The ABC's of Farm Education

Shelburne Farms Educators come to ONTARIO!

April 3rd & 4th 2009

*at Everdale Farm,
Hillsburgh, On*

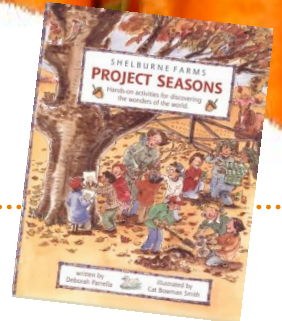

- ▶ Fresh ideas for **School Tour** programs
- ▶ Discover easy to use hands – on activities
- ▶ Learn how to educate the public about agriculture

Are you exploring the possibility of **School Tours** on your farm? Do you already educate on your farm and want new ideas? This is your chance to gather knowledge and inspiration from other farm educators. Join us!

Everdale farm is delighted to be offering this workshop in partnership with **Shelburne Farms & OFFMA**, generous funding from the Greenbelt

Possibility grows here.

Nestled on the shores of Lake Champlain in Vermont, **Shelburne Farms** reaches over 50,000 children and adults annually through hands-on education. **Project Seasons** is an award winning educational guide filled with interdisciplinary farm-based activities. **Project Seasons** will be the foundation of our workshop. shelburnefarms.org
